

Mr. Blake Rowe
Director, Forensic Exploitation Directorate
Defense Forensic Science Center

Mr. Blake Rowe assumed the duties of Director, Forensic Exploitation Directorate, Defense Forensic Science Center, in June 2010. His responsibilities include all activities associated with the deployment and sustainment of forensic exploitation laboratory capabilities in support of DoD and DA operations worldwide. He conducts liaison with personnel within HQDA as well as with external DoD, federal, state and international partners on all operational and technical matters.

Mr. Rowe also served as the Chief, Biometrics Operations and Forensic Support Branch, Biometrics Intelligence Division, National Ground Intelligence Center. His responsibilities included oversight of National and Tactical watchlisting, Biometric Enabled Intelligence (BEI) training, current operations, and collection and exploitation. Mr. Rowe helped establish NGIC's Biometrics Intelligence Program in 2004.

Mr. Rowe is a former member of the Virginia State Police and has over 25 years law enforcement and intelligence experience. He is a veteran of the United States Air Force.
