

**Ms. Debbie Glidewell**  
**Director, Office of Quality Initiatives and Training**

Debbie Glidewell is the Director of the Office of Quality Initiatives & Training (OQIT) at the Defense Forensic Science Center (DFSC) in Forest Park, Georgia. Prior to her current position, she served as the Chief of the DNA Branch for the United States Criminal Investigation Laboratory (USACIL). Before coming to the USACIL, she was a Forensic Scientist in the DNA Unit at the Palm Beach County Sheriff's Office in West Palm Beach, Florida. Ms. Glidewell has been a Forensic practitioner for 25 years in the field of DNA.

Ms. Glidewell holds a Bachelor of Science degree in Forensic Science and a Master of Science degree in Industrial Chemistry (Forensic Science track) both from the University of Central Florida in Orlando, Florida. She is a member of the American Academy of Forensic Sciences (AAFS), the Southern Association of Forensic Scientists (SAFS), and the American Society of Crime Laboratory Directors (ASCLD). Ms. Glidewell previously served as an invited guest on the Next Generation Sequencing (NGS) working group for the Scientific Working Group on DNA Analysis Methods (SWGDM). She currently serves as a member of the Biology/DNA Scientific Area Committee DNA Analysis I Subcommittee within the Organization of Scientific Area Committees (OSAC).
