**DEFENSE FINANCE**  
**AND**  
**ACCOUNTING SERVICE**

Dear Subscriber,

Thank you for the inquiry, our service is to provide communication, commitment and support facilities for civilian and Military Personnel

The people of the Department of Defense (DOD) take pride in serving the men and women who defend America. We take our contribution to national defense seriously. We work hard to fulfil the important fiscal responsibilities entrusted to us by the American taxpayers. We ensure the resources they provide are accounted for properly. (DOD, TSP, USWH)

The DOD core values form the essential character of each individual within the agency. They are the guiding principles for each plan, project or action. These are the beliefs that must be a part of everything we do, have withstood the test of time, and will see us into the future. They are the foundation of the trust our customers have given us, the sense of partnership we hold for each person or organization we support, and the notion that, whatever our past accomplishments may be, they serve only as milestone even greater successes.

We decide to help our war fighters and do everything to support them and their relatives, friends, families, fiancés and their spouse in any form: Dependability, Commitment, Marriage, Rewards Linked to performance, Collaboration within and across governmental organizations, Timely and accurate information, world-Class performance, Advance enterprise systems and Business intelligence.
