MAJOR ACCOMPLISHMENTS

Developed and led the expansion of the USAMPS Counter Drug and the Army's Force Protection distance learning training programs. Efforts established USAMPS as the premier law enforcement training academy in the Nation.

Leveraged increased resources to build state of the art training facilities supporting MP Soldiers and Civilian law enforcement training.

Highly skilled investigator who led the most successful office in Europe with a 100% case solve rate.

His personal philosophy; "don't tell me why it can't be done...help me get it done" inspired agents and leaders to greater heights.
