MAJOR ACCOMPLISHMENTS

Instrumental in reshaping IG functions; he created a medium to publish repetitive and systemic issues to assist and inform field units.

Recognized for outstanding service in planning security for the 42d NATO Ministerial Conference, overseeing 121 agents who provided security for 466 cabinet level defense ministers.

Received the Liberty Bell Award by the American Bar Association for outstanding service in promoting a better understanding and respect for the law within the Fort Lewis community.

His legacy in CID is his unrelenting commitment to operational proficiency, mission accomplishment, and care for our Soldiers and Civilians.
